Northern Lights Ranch a unique boutique hotel situated in Finnish Lapland nearly 200 km North of Arctic Circle. As the name already suggests, Northern Lights Ranch is located at an ideal location for being able to see the Northern Lights. However, it is still close to the diverse range of other services and Arctic activities that travelers seek for as the distance to the ski resort of Levi is just 15 km and 30 km to Kittilä airport.

Northern Lights Ranch's international clientele consists primarily of individual leisure travelers as well as a variety of groups looking for once-in-a-lifetime experiences in an Arctic setting accompanied by top quality accommodation, restaurant and activity services. More information about the facilities and operations can be found online at www.theranch.fi

The accommodation at Northern Lights Ranch consists of 15 log cabins with huge windows and glass ceilings, with views of the surrounding nature and the northern sky. The cabins have Scandinavian design with great attention to detail to provide a truly unforgettable stay.

In addition to the unique form of accommodation, the high-quality, atmospheric restaurant also serves as a venue for many private events, including weddings and group dinners in the winter season. The ingredients for the menus and products are locally sourced and we take a lot of pride in preparing everything from scratch to finish by ourselves. We have highly experienced head chefs who are happy to guide and lead the way for anyone aspiring to become a true professional in the kitchen.

We are looking for more staff members to join us for the winter season 2023-24. We are seeking for individuals with the right attitude who enjoy customer service work with versatile tasks. The pace can also be hectic at times, but we always meet and greet our guests with smiley faces, wanting to offer and guarantee them a unique experience in the Arctic surroundings.

We are seeking professionals to work with us in the following positions:

- Receptionists
- Maintenance / chauffeur
- Housekeepers
- Restaurant Duty Managers
- Restaurant Waiters
- Chefs

The various tasks require practical experience and / or appropriate education/ training. Knowledge of English language is the basic prerequisite for all of the open positions. For the tasks of the Receptionist and Restaurant Duty Manager the knowledge of Finnish is also required. All open positions in the restaurant require a hygiene passport, which can also be acquired after commencing work, if needed.

The employer will organize accommodation / housing for the staff members. A daily transport possibility between Levi and Northern Lights Ranch is also organized for the staff members who live nearby Northern Lights Ranch during free time. Additional perks provided for staff members during the season.

The starting point for the work positions are in November 2023. All positions are for a fixed-term until March or April 2024.

Written applications and CVs, including salary requests, are requested to be sent asap to rekry@theranch.fi, where any additional questions regarding the open positions can also be addressed to.

Please note that whenever suitable candidates are found, then some of the open positions can be filled quickly. So, apply now to join our great team and to experience Lapland!
